Mid-Atlantic

Address: 740 E Henrietta Rd,
Rochester, NY 14623

Phone: (585) 753-5905

Director: Nadia Granger, MD
(NGrangerMD@monroecounty.gov)

Coordinator: Melissa Sullivan
(melissa_sullivan@urmc.rochester.edu)

ACGME Code: 3101530070

Participating in 2024 Match: Yes

Number of Fellowship positions:

AFFILIATED WITH: UNIVERSITY OF ROCHESTER

Because of the wide regional diversity of the counties we serve, Rochester has a wide variety of cases including homicides, drownings, overdoses, and farming accidents.

Our fellow is able to complete elective rotations at the University of Rochester Medical Center, including molecular genetics and neuropathology, and has access to all NYC grand rounds and teaching conferences.

The ME's energetic little pug-terrier mix often spends the day in the office playing Therapy Dog

MCOME Office Stats

Year Fellowship Established:	ACGME accredited in 2019
Medical Examiner Staff	3 Medical Examiners, 1 chief toxicologist, 1 chief medical investigator, and numerous medical investigators, autopsy technicians, toxicologists

Imaging Capabilities	X-ray
In-house Labs	Toxicology lab (additional forensic scientific laboratories within the City of Rochester)
Rotators	Medical students and residents

Fun Fact

We decorate the office and have potluck parties for every holiday, and most folks don't need an excuse to bring in treats for us to taste-test
