POSITION OPENING

Forensic Pathologist
American Forensics, LLC
Mesquite, TX

American Forensics is seeking a Full-time or Part-Time Forensic Pathologist to join our Mesquite, TX office.

The successful candidate will join two (2) board-certified forensic pathologists who administer services to the citizens of Texas. American Forensics is entering our 10th year of successful business within the community and the State.

- In 2019, American Forensics became the first institution nationally providing Medical Examiner/Forensic Pathology services to be accredited to meet the requirements of ISO/IEC 17020:2012 in the field of Forensic Pathology by ANAB.
- In 2013, American Forensics became the first private company to pass NAME Accreditation for Autopsy Services and maintains current Full Accreditation.
- The office primarily serves approximately 20 counties in Texas and is the preferred regional provider for federal government agencies. Our ABMDI Death Investigators provide 24/7 investigation. The individual caseload is between 250-300 cases per year, with weekend and holiday coverage shared equitably among the staff.
- Minimum requirements include: M.D. or D.O. degree, certification by the American Board of Pathology in Anatomic Pathology and Forensic Pathology, and eligibility for medical licensure in Texas. Current Texas licensure is preferred. If the applicant is not Board Certified at the time of hiring, Certification in both Anatomic and Forensic Pathology must be obtained within two years.
- Base salary is based on availability, experience and Board Certification. American Forensics also provides a benefit package.
