

## **East Carolina University**

Brody School of Medicine  
Greenville, North Carolina

### **Forensic Pathologist**

(Position #002481)

The Brody School of Medicine at East Carolina University in Greenville, North Carolina is seeking qualified applicants to join two forensic pathologists in the Eastern Regional Autopsy Center where over 600 medical examiner autopsies and 300 external examinations are completed annually. We also serve as the autopsy service for Vidant Medical Center, our associated 900-bed teaching hospital and perform approximately 80-100 medical autopsies each year. The primary responsibility will be to perform autopsies as a Forensic/Autopsy Pathologist. Additional job duties include: reviewing investigative reports to determine jurisdiction; determining the need and extent of postmortem examination; directing assistants in preparing bodies for autopsies, including appropriate photography for documentation; performing autopsies and obtaining appropriate specimens for laboratory analysis; performing microscopic analysis when appropriate; determining cause and manner of death; preparing and completing reports of findings in a timely manner; reviewing current literature as necessary to assist in formulation of decisions; providing expert witness testimony in court; teaching of medical students, residents, fellows and law enforcement personnel; consulting with prosecutors and defense attorneys in preparation for court proceedings. Faculty appointment will be fixed term or tenure track at the level of a Clinical Assistant or Clinical Associate Professor.

#### Minimum Qualifications:

1. MD or DO from accredited school of medicine or osteopathy.
2. Board certification by the American Board of Pathology in Anatomic Pathology or Anatomic and Clinical Pathology.
3. North Carolina Medical License is required.
4. Forensic Pathology board certification is preferred; however, board-eligible candidates will be expected to obtain Forensic Pathology Board Certification within one year of hire.
