

OFFICE OF CHIEF MEDICAL EXAMINER

We exist to provide answers in support of families, victims, and community during times of profound need.

CITYWIDE JOB VACANCY NOTICE

The **Office of Chief Medical Examiner** investigates cases of persons who die within New York City from criminal violence, by accident, by suicide, suddenly when in apparent health, when unattended by a physician, in a correctional facility or in any suspicious or unusual manner or where an application is made pursuant to law for a permit to cremate a body of a person. We exist to provide answers in support of families, victims, and community during times of profound need.

JOB DESCRIPTION

The core values of the OCME are to put the mission of the agency first, to be truly dedicated and to have integrity in every aspect of our professional life. Under the oversight of the Director of Forensic Investigations and the direction of the Deputy Director of Forensic Investigations, the Assistant Director of Forensic Investigations is responsible for assisting with the supervision of city-wide Forensic Operations, and with multiple fatality incident operations planning in the functional role is known as Tour Commander (TC). The Assistant Director supervises the medicolegal investigators directly and performs all related supervisory tasks, evaluations, and training assignments. The Assistant Director should be a proactive, self-motivated individual who can work cooperatively across technical disciplines. The Assistant Director must have excellent human transaction skills that are necessary to work effectively with large number of technical teams to conduct medicolegal investigations to create integrated plans and standard operating procedures. The Assistant Director will be responsible for a wide range of activities, including, but not limited to, the following:

- Ensure unity of effort/command for Agency operations
- Coordinate operations with the Administrator on Duty and other supervisory personnel
- Monitor and coordinate field deployment and operations, morgue services, body transportation, evidence handling and identification
- Manage and disseminate operational reports and assignments
- Manage and disseminate the child fatality report for the Chief Medical Examiner.
- Address, manage and mitigate high-level issues with cases.
- Interface with District Attorney Offices, NYC Police Department, and other external agencies.
- Respond to death scenes and perform duties of Medicolegal Investigators in all five boroughs as needed.
- Monitor and track vehicle usage and ensures compliance with OCME Fleet directives.
- Maintain operational scheduling and coverage.
- Supervise, evaluate, and develop the forensic investigations teams and operations.
- Supervise and help improve the systems, plans, policies, and procedures in the forensic investigations unit with attention to detail logistics and anticipates the potential system -wide impacts
- Investigate missing person inquiries submitted to the agency.
- Assists families and Medical Examiners with the decedent identification process.
- Translates office policies and directives into operating procedures and methods.
- Implements standards of work performance through education and training.

- Implements quality assurance and controls.
- Provides technical and administrative support to Medical Examiners.
- Other duties assigned.

MINIMUM QUALIFICATION REQUIREMENTS

1. A New York State license as a Physician Assistant with current Registration Certificate issued by New York State, plus two years of experience as a Physician Assistant and two years of experience as a Medicolegal Investigator; or
2. A current Nurse Practitioner Registration Certificate issued by New York State, plus two years of experience as a Nurse Practitioner and two years of experience as a Medicolegal Investigator; or
3. Five years of experience as a Medicolegal Investigator.

License Requirements

The license and registration certificates listed above under Qualification Requirements "1" or "2" must be maintained for the duration of this employment.

ADDITIONAL INFORMATION

1. The selected candidate will be required to submit a DNA sample by swabbing.
2. In case of an emergency, your position may be designated as essential staff.
3. As of August 2, 2021, all new hires must be vaccinated against the COVID-19 virus, unless they have been granted a reasonable accommodation for religion or disability. If you are offered city employment, this requirement must be met by your date of hire, unless a reasonable accommodation for exemption is received and approved by the hiring agency

Please note that only candidates selected for interview will be contacted for this position.
