

Forensic(req.) & General Pathologist

Flint, Michigan

Hiring Range (partnership track)

\$200,000.00 – \$400,000/year (Commensurate with Experience)

Job Summary/Essential Job Functions

We are looking for a forensic and general pathologist to become part of our team. While we are definitely looking for a board certified forensic pathologist, preference will be given to those individuals willing to participate in general sign out.

Requirements

At minimum, applicants must have an MD or DO degree, certification by the American Board of Pathology in Anatomic Pathology and Forensic Pathology, and eligibility for medical licensure in Michigan. If the applicant is not Board certified at the time of hiring, certification in both Anatomic and Forensic Pathology should be completed within two years.

Duties and Responsibilities

- Performs primary functions of a forensic pathologist in accordance with industry standards to determine manner and cause of death in medical examiner cases
- Maintains all required licenses and accreditations consistent with the industry standards
- Maintains individual continuing medical education and assures compliance with licensing and certification requirements
- Provides expert testimony in criminal and civil court as requested

Benefits

Great Lakes Pathology Associates provides an excellent benefit package including:

- Paid continuing medical education expenses
- At least 4 weeks annual leave
- 401(k)
- Medical, dental, and vision insurance

About Great Lakes Pathology Associates

- In 2018, our pathologists performed under 700 autopsies between multiple counties and local regional hospitals.
- We are a group of 7 pathologists covering hospitals and forensic pathology responsibilities for multiple counties.
- We have a state of the art forensic examiner office complete with the latest equipment and toxicology laboratory.
- General sign out responsibilities vary but are focused on basic general pathology. If applicant wishes to only perform forensic pathology, preference may be given to other applicants and compensation may be decreased.
