ASSOCIATE MEDICAL EXAMINER

ANNUAL SALARY: $250,000 - $290,000
(Part-Time/PRN Available)

Job Description: The DeKalb County Medical Examiner’s Office is seeking a qualified applicant for the position of Associate Medical Examiner. This is a W-2 full-time position. Primary medical examiner services are provided to DeKalb County as well as other select metropolitan Atlanta areas.

Compensation:
- Flexible paid vacation, holidays, sick leave, and parental leave
- Health insurance through Kaiser Permanente
- Malpractice insurance
- Paid licensure, CME, professional membership, and conference attendance
- Optional private casework
- Relocation reimbursement

Additional Benefits:
- A low-stress and positive company culture with ample investigative, laboratory, and support staff
- Personal administrative assistant
- Minimal court travel
- Extensive opportunities for research, publication, and continuing education
- Great balance of professional and personal life with minimal weekend duty and no night call
- Call to discuss additional benefits (i.e., Public Service Loan Forgiveness, pension plus 401k, and wellness programs)

Start Date: Immediately

Job Requirements: This position requires the performance of medicolegal autopsies, certification of cause and manner of death, expert court testimony, consultation with law enforcement, attorneys, physicians, and families, evidence and investigative material review, autopsy report generation, and collaboration with co-workers. The ME would be working in conjunction with 6 autopsy technicians and 3 forensic pathologists. This position requires 1.) a valid Georgia medical license and 2.) certification by the American Board of Pathology of anatomic and forensic pathology (or successful completion within one year of employment). Background check, e-verification, and letters of recommendation are required prior to employment.
