The District One Medical Examiner’s Office (D1MEO) is seeking our next associate medical examiner to join our growing team. The D1MEO team consists of dedicated medicolegal death investigators, skilled autopsy technicians, and enthusiastic administrative support staff. Flexible work schedule with supportive and positive office environment. Recent major equipment and technology upgrades including brand new LODOX, hydraulic autopsy carts, tablet computers, and secure cloud service for off-site access to case files. A brand-new medical examiner’s facility is currently in the design stages with expected completion Fall 2025. Employees are employed by a 501(c)(3) nonprofit business, District One Medical Examiner Support, Inc., which is a PSLF qualifying employer.

*Our mission is to provide quality, transparent, kind, and compassionate medicolegal death investigation services to the residents of Florida’s First Judicial District.*
Position: **Associate Medical Examiner**
Salary range: **$250,000 – 280,000**
Workload: **250 autopsies per year**

**Compensation and Benefits:**
- Salary range: **$250,000** (no boards; AP/FP board eligible) to **$280,000** (AP/FP board certified)
- Additional compensation for autopsies performed beyond the 250 annual autopsies. *This additional case work is elective and compensated at the locums tenens (per case) rate on a quarterly basis.*
- Executive benefits including monthly vehicle allowance, laptop, cell phone with unlimited cellular data
- 401k with employer contribution of 15% of base salary
- Relocation reimbursement expenses
- 100% employer paid health insurance (Florida Blue), vision and dental insurance
- Funding for two annual conferences, dues for relevant professional organizations, payment of FL medical licensure fees and CMEs
- Ample paid time off with up to 80 hours of PTO can be cashed out annually

**Role and Responsibilities**
- Perform primary functions of a forensic pathologist in accordance with industry standards for autopsies, external examinations, and records reviews to determine the cause and manner of death, pursuant to Florida State Statute, Chapter 406
- Prepare succinct autopsy reports with narrative of autopsy exam and findings
- Serve as an expert witness, providing testimony in trials, grand jury, depositions, and conferences with attorneys
- Participate in conferences with family members, law enforcement, attorneys, and other individuals to provide information on investigations and autopsies
- Maintain all required licenses and certifications consistent with industry standards
- Perform all other duties as assigned

**Knowledge, Skills, and Abilities**
- Knowledge of medicolegal death investigation policy, procedures and Florida statutes pertaining to the medical examiner (FS 406)
- Possess written and professional verbal communication skills
- Knowledge or willingness to adapt modern technologies / software including but not limited to using Windows 10, Microsoft Office 365, Citrix ShareFile, Slack, and Adobe Acrobat Pro

**Minimum Qualifications**
- M.D., D.O., or equivalent medical doctorate degree
- Board eligible by the American Board of Pathology in Anatomic Pathology; successful completion of an accredited forensic pathology fellowship program
- Active Florida medical license or eligibility to obtain a Florida medical license prior to the first day of employment
- Must have a valid Florida driver's license, be able to pass a criminal background check and pre-employment drug screen
Interested candidates should email their curriculum vitae and a minimum of 3 professional references to: jobs@fldme.com

GET TO KNOW NORTHWEST FLORIDA

Northwest Florida is known as the “Emerald Coast.” Miles of protected white sand beaches and emerald crystal-clear waters are part of the Gulf Islands National Seashore. Downtown Pensacola and the surrounding areas have great dining choices with a mix of cuisines from casual food trucks to fine dining restaurants. Neighborhood breweries and live entertainment available daily. Top sectors of employment are military, tourism, and healthcare.

The region is considered the most affordable area for coastal living and frequently cited as best place to live in Florida. Housing expenses are 27% lower than national average (median home prices less than $300,000). No state income tax, low cost of living, attractive real estate prices, and year-round outdoor activities make this region a highly desirable place to live. Nearby New Orleans is 2 ½ hours away. Conveniently located airport (PNS) with numerous direct flights to major cities and expanding services.
