The medical examiner’s office serves an area covering over 50 counties and will perform over 3,000 autopsies per year. We are fully accredited by NAME and have 10 full time board-certified forensic pathologists and several locum tenens doctors. Our 20,000 square foot facility contains 7 autopsy stations and has comfortable work space for our 11 full time ABMDI-certified death investigators, 11 forensic technicians, two forensic photographers and several administrative staff. A local anthropologist and odontologist are available for consult. Our proprietary, web-based case management system allows remote access to case files when teleworking from home.

Nashville TN, also known as Music City, is one of the fastest growing cities in the nation. Located in beautiful middle Tennessee, it has become the “It” city for businesses, industries, logistics and residents. We are home to a growing list of health care companies, technical and financial companies as well as a hub of entertainment venues. Tennessee does not have a state income tax.

JOB DUTIES
Responsibilities include performing forensic autopsies for Davidson and surrounding counties, providing expert testimony, as well as providing forensic pathology consultation and training pathology residents. Provide expert testimony in criminal and civil court, as needed. The successful candidate will possess and M.D. or D. O. and be able to obtain medical licensure in the State of Tennessee.
BENEFITS
In addition to the salary we offer a comprehensive benefit package including:

- Medical, dental, vision and life insurance
- Health Savings Account with generous company contributions
- Annual vacation and paid holidays
- Short and Long Term Disability
- 401(k) retirement plan with generous company contributions
- Annual merit increases
- Year-end bonuses
- CME for national conference
- Professional Liability Insurance
- Board Certification/Maintenance and Licensure
- Relocation assistance

You are encouraged to consider Forensic Medical Management Services, PLC for your next career move. FMMS has been operating as a privately-held medical examiner's office since 1997 and has extensive experience in all jurisdictions. We have a cohesive team of highly trained pathologists, investigators and support staff. Our service area covers a population of approximately 2.5 million people. Nashville is known for its health care companies, educational opportunities as well as our entertainment. Many companies have chosen Nashville as an ideal city for its corporate headquarters. Nashville is consistently recognized for its low cost of living among comparable cities across the nation. Our location is just hours away from several other major cities, the Great Smoky Mountains and surrounded by several lakes and rivers. The moderate climate in Middle Tennessee allows residents to enjoy each season with its specific features. The availability of schools, hospitals and year-round recreation makes Nashville a great place to raise a family.

Please send CV and cover letter to the Chief Medical Examiner, Feng Li, M.D., Ph.D., J. D. at fli@forensicmed.com or contact him directly at 615-743-1810.
