

NAME 2018 ANNUAL MEETING Evaluation and CME Application Workbook

- You must pay a fee to apply for CME credit. If you did not pay for CME when you registered for the meeting, please contact Tara Snethen at Tel: (240) 498-2918 or Email: tsnethen@thename.org.
- This Workbook has been provided to assist you in recording your attendance at sessions and your evaluation as to whether the sessions met the educational goals of the NAME 2018 Annual Meeting. **At the conclusion of the meeting, please use your Workbook to guide you in completing the ONLINE CME APPLICATION, which can be accessed at <https://www.thename.org/2018-cme>.** It should take you less than 5 minutes to complete the online CME application. This booklet also clearly delineates scientific sessions that are eligible for *AMA PRA Category 1 Credit(s)*[™]. Events not listed in this booklet are NOT eligible for CME credit.
- To receive CME credit you must answer ALL questions contained in the application. Do not skip any questions; "comments" are optional.
- Please evaluate each session as to how successfully it met the stated educational objectives of the meeting. If you did not attend a particular session, select "0" hours attended and "Did not attend" as the evaluation in the second column.
- **The deadline for submitting the online CME application is December 31, 2018**

CME Accreditation Statement: This activity ("National Association of Medical Examiners 2018 Annual Meeting") has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of MedChi, The Maryland State Medical Society and the National Association of Medical Examiners (NAME). MedChi is accredited by the ACCME to provide continuing medical education for physicians.

MedChi designates this "live" educational activity ("NAME 2018 Annual Meeting") for a maximum of 32.25 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Educational Objective/Target Audience

The objective of the NAME 2018 Annual Meeting is to increase basic and applied pathology knowledge, focusing on autopsy and forensic pathology. The NAME 2018 Annual Meeting is designed to meet the participants' education needs in the physician competency area of Medical Knowledge, as defined by the Accreditation Council for Graduate Medical Education (ACGME) and the American Board of Medical Specialties (ABMS), and to support participants' lifelong learning towards a goal of promoting patient safety and improving patient care and is specifically targeted to forensic pathologists, medical examiners, coroners, death investigators, forensic administrators, pathology assistants, laboratory personnel engaged in forensics, and forensic scientists.

At the completion of the NAME 2018 Annual Meeting, participants should be able to:

1. discuss medico-legal death investigation protocols;
2. describe regulations and competencies for medical examiners;
3. discuss the forensic investigation of accident- and trauma-related death;
4. discuss forensic science approaches to investigation of domestic violence and homicide; and
5. discuss forensic science approaches to sudden death in children and adult populations.
6. Improve knowledge about emerging toxicology and the opioid crisis.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest:

In order to ensure balance, independence, objectivity and scientific rigor in all its educational activities, and in accordance with ACCME Standards, MedChi requires that all individuals in a position to influence and/or control the content of MedChi CME activities disclose to MedChi and subsequently to learners whether they do or do not have any relevant financial relationships with proprietary entities producing health care goods or services that are discussed in CME activities. Faculty are asked to use generic names in any discussion of therapeutic options, to base patient care recommendations on scientific evidence and to base information regarding commercial products/services on scientific methods generally accepted by the medical community. All MedChi CME activities are evaluated by participants for the presence of any commercial bias and thus input is used to subsequent CME planning decisions. The primary purpose of this "live" CME activity is educational and the comments, opinions, and/or recommendations expressed by the faculty or authors are their own and not those of MedChi or NAME.

Planning Committee Disclosures: The Education, Program and Publications (EPP) Planning Committee members and staff of this CME activity have no relevant financial relationships with commercial interest to disclose.

How to Apply for CME Credit:

CME application forms will be available online at <https://www.thename.org/2018-cme> by October 12, 2018 and must be submitted no later than December 31, 2018. Should you have questions about your CME application contact Tara Snethen, Meetings Manager (phone 240-498-2918; email: tsnethen@thename.org)

This Workbook contains a consolidated list of sessions that are eligible for a maximum of 32.25 *AMA PRA Category 1 Credit(s)*[™]. Visiting the exhibits is not an approved continuing medical education activity because of ACCME standards that are designed to prevent commercial bias. A maximum of 3.0 hours can be credited for viewing posters. The meeting program identifies those events that are not continuing medical education activities (such as social events, committee meetings, and meals) with the designation “NOT CME.” Signs will also be placed outside sessions and events that are not eligible for *AMA PRA Category 1 Credit(s)*[™]. If you have any questions about the CME eligibility of a session, please ask at the registration desk.

Self-Assessment Module (SAM) Credit: NAME is approved by the American Board of Pathology (ABP) as a provider of SAM credits. If you are interested in obtaining SAM credits for the NAME 2018 Annual Meeting, there is a separate fee and you must successfully pass an online examination by **December 31, 2018**. Individuals who have paid the SAM registration fee will be contacted with additional information. To register for SAM, please contact Tara Snethen at Tel: (240) 498-2918 or Email: tsnethen@thename.org.

Overall Meeting Evaluation

My objective(s) for attending this meeting included: (check all that apply)

- Learning of the newest advances in autopsy and forensic pathology
- Learning about medico-legal death investigation protocols
- Learning about innovations in imaging technologies and radiology techniques as they relate to forensic science
- Learning about forensic investigation of trauma-related deaths
- Learning about forensic science approaches to investigation of domestic violence and homicide
- Learning about forensic science approaches to sudden death in children and adult populations
- CME Credit
- SAM Credit

Were your objectives fulfilled? Yes No
